

Receipts: This Week: 38,106 Week Ago: 23,897 Year Ago: 30,848

Compared to last week steers under 600 lbs sold 4.00 to 5.00 higher over 600 lbs sold steady to 1.00 higher. Heifers less than 500 lbs sold 4.00 lower, over 500 lbs sold unevenly steady. Demand was good with several load lots of longtime weaned cattle on hand. Buyers continue to look for heifers that will make a good mom down the road. Several cattlemen are just hoping to get back to par in their herd size as several have had to sell off due to dry conditions the last few years. The drought monitor has the sandhills as normal for moisture, but most soil profiles are still dry down a few inches. Nebraska feedlots traded show unevenly steady on live and dressed sales. Live ranged from 179.00 to 181.00 and dressed sales from 287.00 to 288.00.

NEBRASKA WEEKLY FEEDER CATTLE AVERAGES
