

Receipts: This Week: 16,993 Week Ago: 3,584 Year Ago: 23,362

Compared to last week light calves are sharply higher. Steers and heifers over 700 lbs sold 8.00 to 15.00 higher. Demand was good to very good throughout the week for all offerings on hand. Bulk of the offerings came off summer grass and sold in light flesh with most of the weigh-up conditions in the buyers favor. Some cattle did come from grow-yards, but the producers did a good job on keeping flesh scores in the medium range by USDA Market News standards. Feedlots started to trade parts of show list on Wednesday and continued until Friday. Live sales sold fully steady to 2.00 higher at 245.00 and dressed sales sold 5.00 to 7.00 higher from 385.00 to 292.00.
