NEBRASKA WEEKLY SUMMARY Recap For Week Ending October 15, 2021

Receipts: This Week: 30,087 Week Ago: 25,705 Year Ago: 35,238

Compared to last week steers calves under 600 lbs sold steady to 4.00 higher, 600 to 700 lbs sold 2.00 to 3.00 lower. Yearling steers sold steady to 3.00 higher. Heifer calves sold 2.00 to 4.00 lower with yearlings steady to 3.00 lower. Demand was moderate to good for the large supply of bawling calves hitting the market. A few less receipts than last year as some consignments were cancelled in the Western part of the state due to rain and snow. Plus, some ranchers sold off cows due to the drought conditions and this will contribute to the lower feeder cattle receipts. Nebraska feedlot trade mostly steady on live and dressed sales at 124.00 and 196.00 respectively.
