Combined United States and Canada Potato Production Down 2 Percent From 2024

This publication is the result of a joint effort by Dirección General del Servicio de Información Agroalimentaria y Pesquera (DGSIA), Statistics Canada, and USDA's National Agricultural Statistics Service (NASS) to publish potato production for three countries in one report. All data contained in this report comes from previously published data.

The 2025 potato production for the United States and Canada combined is estimated at 539 million cwt, down 2 percent from the 2024 estimate. The United States potato production is estimated at 413 million cwt, down 2 percent from last year. Canada's potato growers harvested 126 million cwt, down 1 percent from 2024.

The 2024 potato production for the United States, Canada, and Mexico combined is 595 million cwt, down 3 percent from the 2023 estimate. The United States 2024 potato production is estimated at 421 million cwt, down 4 percent from 2023. Canada's potato growers harvested 127 million cwt during 2024, up slightly from 2023. Mexico's potato growers harvested 46.8 million cwt during 2024, up 7 percent from 2023.

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at [How to File a Program Discrimination Complaint](#) and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.
