Livestock, Poultry, and Grain Market News

February 4, 2019

NOTICE TO TRADE: USDA Market News is exploring ways to be more efficient and transparent, and proposes converting the National Weekly Organic Summary Report into a "Link" report. The new format will provide stakeholders greater access to a broader scope of market information on all organic products. Below is an example of how the new format will appear. If you have any feedback on this proposal, please email stjoe.lpgmn@usda.gov by February 22, 2019. ***
